MEDICATION REVIEWS

These have changed and will now be done in the month you were born

If you have a Long Term Condition such as; Diabetes, Emphysema, Chronic Obstructive Pulmonary Disease (COPD), Heart Problems

If you need blood tests as part of your annual review please book an appointment with the

Phlebotomist (Angie) BEFORE you see the nurse

YOU NEED TO BOOK YOUR MEDICATION REVIEW WITH

Sister Joy Godding, Sister Amanda Robinson or

Sister Stephanie Brereton

Medication Reviews for all other Conditions

such as; High Blood Pressure, Thyroid Problems, Dementia

YOU NEED TO BOOK YOUR MEDICATION REVIEW WITH

Sister Hazel Lambourne

But ANY of the Nurses are happy to do these
